Policy Statement

The Corporation of the Township of Dubreuilville is committed to improving the quality of local services delivered and in better meeting the needs of its citizens. In keeping with this commitment, we are pleased to have the opportunity and privilege of issuing marriage licenses and providing bilingual civil marriage services within the Corporation of the Township of Dubreuilville. This will create economic benefits in attracting bilingual couples to the community thus improving the quality of life for local residents.

Authority

Ontario Regulation 285/04 amended the Marriage Act to include Municipal Clerks as a class of person authorized to solemnize civil marriages. This authority is extended to designates who have been delegated the authority by the Clerk in accordance with Section 228 of the Municipal Act. Delegation of authority, by the Clerk, to perform civil marriage ceremonies shall be confirmed by Resolution of Council.

As outlined in Section 24 (1) of the Marriage Act, R.S.O. 1990, Chapter M.3, a judge, a justice of the peace or any other person of a class designated by the regulations may solemnize marriages under the authority of a license.

Delegation of Authority

Under Section 228 (4) of the Municipal Act, the Clerk may delegate in writing to any person, other than a member of council, any of the Clerk's powers and duties under this and any other Act. For the purposes of delegating authority for civil marriage solemnization, this policy limits the Clerk's ability to delegate subject to Council's approval.

Civil Marriage Ceremony:

Ceremonies, available in French and English, are simple and dignified and are to be conducted in an appropriate location, which provides an intimate and formal setting upon approval of the Clerk. The duration of the Ceremony would be approximately 30 minutes depending on the vows chosen. The service time booked would be approximately one (1) hour to allow for photo opportunities, signing of the Register, etc.

Civil marriages will be conducted by the Clerk or designate subject to their availability. The Clerk, in his/her sole discretion, shall ensure the days/time/place that civil marriages will be performed are appropriate. It is recommended that ceremonies are booked in advance to allow for a pre-ceremony meeting at least seven (7) days prior to the Ceremony.

Form of Ceremonies

There are basic requirements of the Marriage Act to be followed. Appropriate and dignified ceremonies will be developed accordingly. Applicants will be clearly informed of the style of the ceremony and that there will be no religious aspects included.

Civil Marriage Ceremony Guidelines

1. Ceremonies will be conducted in an appropriate location approved by the Clerk and during regular office hours. Exceptions may be granted outside office hours at the discretion of the Clerk and upon availability.
2. Ceremony Fee: \$200.00 payable in advance at the time of booking and a Booking Agreement will be executed. The Town accepts certified cheques or cash. The ceremony fee does not include the Marriage License Fee (\$100.00) or the Registration Fee (\$75.00). Ceremonies executed outside of regular office hours will be subject to an additional ceremony fee of \$50.00.
3. At the discretion of the Municipal Clerk, the marriage solemnization service may be provided outside regular office hours by the Clerk or municipal delegate; however, a \$250.00 honorarium derived from the ceremony fee would apply for the service provided. _____ and _____ have invited us to share this celebration as they affirm their love before us, pledge their faith to one another and enter into the joys and privilege of marriage.

Love is one of the highest experiences we human beings can have and it can add depth of meaning to our lives.

The day to day companionship, the pleasure of doing things together or in doing separate things but exchanging experiences, is a continuous and central part of what two people who love each other can share.

Marriage was established that two people might have life-long companionship, that natural instincts and affections might be fulfilled in mutual love, that children should enjoy the security of family life, love and home.

By growing together in love, it is possible to share not only the joys of life, but the burdens of sorrow as well.

_____ and _____, your marriage is intended to join you in a relationship so intimate and personal, it will change your whole being.

It offers you the hope and indeed the promise of a love that is true and mature.

To attain such love, you will have to commit yourselves to each other freely and gladly for the sake of a richer and deeper life together.

If any person can show just cause why they may not be joined in marriage, let them speak now or forever hold their peace.

Nous sommes tous réunis en ce lieu dans le but d'unir à l'état du mariage (cet homme et cette femme / ces deux personnes), sous l'autorité donnée et fournie par le gouvernement de la province de l'Ontario.

Le mariage ne doit pas être pris à la légère, mais avec une compréhension et une appréciation en raison pour laquelle il est fait.

Par conséquent, s'il y a quelqu'un qui peut présenter une raison pour laquelle ces deux personnes ne peuvent être légalement unies dans le mariage, ils doivent maintenant le déclarer et par la suite garder le silence.

Y a-t-il quelqu'un ici présent qui donne cette femme en mariage à cet homme?
